General Robert Hatton 329 Honors Veterans and Welcomes a New Member

Members of General Robert Hatton 329 attended Lebanon's Veteran's Day Parade and the "Veterans Day 2017" program that was held at Veterans Plaza in Lebanon, TN on November 11, 2017.

After the impressive event the members held a brief business session and conducted a New Member Welcome for Ada Midgett with a luncheon and a new member cake. Prospective members Debbie Midgett Sorrells and Sharon Kloba were also warmly greeted. First Vice President Teresa Deathridge said a few words about the recent General Convention that she attended. It was reported that the chapter members had purchased nine copies of Pictorial Biographies of our Confederate Ancestors. The members voted to donate one copy to the Wilson County Archives. Historian Annette Dies gave an Ancestor Minute from the book on Samuel Griffin, the ancestor of member Charlotte Dies. The list of Division Awards from the 121st State Convention was shared.

Ms. Ada Midgett proudly shows off her "Welcome New Member" cake at the November 2017 meeting of General Robert H. Hatton UDC Chapter 329.
